REPORT FOR 1905.

N their Report for 1904 the Committee stated that the year closed with a debt of £1,500 to the Bankers, and that special efforts would be made in the coming year to pay off the They had at the same time the satisfaction to announce that a friend had kindly promised a donation of £,500 conditional on such efforts. In July last, accordingly, a special appeal was addressed to past and present supporters of the Hospital, with the result of responses to the amount of over £600. In addition the Hospital received £391, the proceeds of a Concert given at the Kensington Town Hall in November, which sum was, by request, used for the reduction of the debt. As the result of a further appeal at Christmas, together with the foregoing contributions and the generous donation received from Mr. Thomas Wharrie, the friend above referred to, the Committee were enabled to wipe out the 1904 deficit; and they now very gratefully offer their thanks to Mr. Wharrie and the many other kind friends who assisted to release the Hospital from this heavy financial liability.

The ordinary income of the Hospital has been well maintained, and the Annual Subscriptions shew an increase of £24 on those of 1904.

From each of the three Central Hospital Funds increased Grants have been received, viz.:—

	1905.	1904.
King Edward's Hospital Fund (including		
£200 for the Debt Fund)	£600	£400
Hospital Sunday Fund	380	306
,, Saturday Fund	122	117

The Committee highly appreciate these valuable contributions, and more especially the confidence which they indicate on the part of the Councils of the several Funds, that the management of the Hospital is such as to warrant increased support.

The Concert at the Kensington Town Hall on 28th November, already referred to, was organised by Mrs. Frank L. Wright and Miss Scott. It was in every way successful, realising, already stated, the handsome sum of £391 18s. recording their very hearty thanks to Mrs. Wright and Miss Scott, and to the ladies who assisted them, the Committee desire also to express their grateful sense of similar assistance received from the same kind friends in the past. The Committee are well aware that the work and weight of responsibility attending such undertakings are very great. To Mrs. Maurice Anderson, Mrs. Chapman, Lady Farwell, Miss Grainger Kerr, Mrs. Frank Parish, Mrs. W. J. Paton, Mrs. Arthur Rendel, Mrs. Charles Sargant, Lady Seton-Karr, Mrs. Percy Thomas, Lady Warrington, and others, who rendered valuable assistance, the cordial thanks of the

Committee are due, as well as to the Artistes who generously gave their time and talents with such excellent result.

A list of Concerts kindly arranged by other friends is given on page 51, and for the amounts thus accruing to the Hospital the Committee return their best thanks. Contributions of £5 5 $^{\circ}$ 5 to the General Fund, and £5 5 $^{\circ}$ 5 to the Debt Fund, from the London Football Charity Committee; and £7 10 $^{\circ}$ 5 from the Committee of the Southern Football Charity Cup Competition; were also received and much appreciated.

The Committee desire thankfully to acknowledge several special and individual donations of £20 and upwards, viz.:—

The Committee have again to express their grateful thanks for the sympathetic and practical

support accorded them by the congregations and children of churches in the neighbourhood of the Hospital, the total contributions from whom amounted to £263. The Committee acknowledge their indebtedness to the Very Rev. the Dean of Carlisle, the Rev. E. A. Stuart, the Rev. H. P. Cronshaw, and others of the clergy, for their continued and warm interest in the welfare of this Hospital, and for their advocacy of its claims upon the benevolent in their respective districts. A list of congregational collections will be found on page 48.

The Misses Manville and their pupils kindly sent contributions amounting to £197 1s. 3d.—money raised by means of a fairy operetta, "Red Riding Hood," performed at the Royal Albert Hall Theatre, and also by a small Bazaar held at Leinster House School, towards the Life Endowment of the "Leinster House School" Cot. The Committee return their best thanks for this valuable assistance, obtained by much personal effort on the part of the pupils and their friends. A sum of £200 has been invested in the purchase of £200 19s. 2d. New South Wales $3\frac{1}{2}$ per cent. Inscribed Stock for the "Leinster House School" Cot Endowment Fund.

To those friends who generously renewed the Annual Subscriptions for the Special Cots, and to Mrs. Henry Oppenheimer for providing the funds required for naming a cot, the "Clara" Cot, the Committee offer their cordial thanks. A complete list of endowed cots will be found on page 65.

The amount received from Legacies, always an uncertain source of income, was considerably less than that received in 1904, viz., £629 3s. 11d. as against £2,700. The Committee would again draw attention to the fact that the ordinary yearly income falls short of the ordinary expenditure by about £1,000, so that any decrease in the amount received from Legacies or other varying sources must seriously affect the financial position of the Hospital, more especially as the institution has no endowments other than those for special cots. A draft form of Bequest will be found on page 75.

The work of the Hospital during the past year has been of a satisfactory and progressive nature, as the following tables will shew:—

In-Patients—	1905.	1904.
In-Patients under treatment 1st J	anuary 43	41
Admitted to 31st December	724	722
	767	763
Out-Patients—	1905.	1904.
New Out-Patients	16,100	14,904
Casualties and Accidents	1,550	1,488
Total new cases	17,650	16,392
Out-Patients' attendances	58,037	53,782

The Committee would point out with much satisfaction that, although a larger number of patients were admitted to the wards, and the

attendances of out-patients were 4,255 more than in 1904, the total ordinary expenditure was LESS by £300.

Alterations and improvements in the Out-Patients' Department, the X-Ray Department, and in the basement of the Hospital, necessitated an extraordinary expenditure of £122; and nearly the whole of the interior of the Hospital was re-painted at a cost of £230. Other items, as set forth on page 25, brought up the total extraordinary expenditure to £600. In order to meet this outlay, and for maintenance purposes, various sums, amounting in all to £900, were borrowed in the course of the year from the Hospital's bankers: of this, £300 was repaid, leaving a loan of £600 and an overdraft of £100 12s. 11d. due to the bankers on 31st December, 1905.

The Committee have the pleasure to report, that Mr. G. H. Pollock has been elected a Member of the Hospital Board. The following Members of Committee retire by rotation, and, being eligible, offer themselves for re-election, viz.:—Messrs. C. W. Empson, Robert J. Hanbury and Percy Noble.

Owing to pressure of other engagements, Mr. Hunter Tod has reluctantly felt compelled to resign the post of Surgeon to the Throat and Ear Department, which he held since February, 1902. For similar reasons Mr. H. Percy Noble resigned his position of Anæsthetist. The Committee received both resignations with great regret, and desire to record their sincere thanks to Mr. Hunter

Tod and Mr. Noble for their valuable services to the Hospital. Mr. H. Edmund G. Boyle and Dr. E. Newlyn Smith have been appointed Anæsthetists to the institution.

The Committee again thank the members of the Honorary Medical and Surgical Staff for the skill and care they have ungrudgingly devoted to the Hospital, and for their valuable services generally.

The Committee desire to express their appreciation of the valuable assistance rendered to the Hospital by the "Paddington and Marylebone District-Nursing Association," during the past year. About 160 surgical cases were, after treatment in the Out-Patient Department at the Hospital visited at their own homes by the Nurses of the Association, who continued to carry out the instructions prescribed at the Hospital. By these means the subsequent (and in some instances probably painful) journeys to and from the Hospital by the patients were rendered unnecessary, and recovery accelerated.

H.R.H. the Princess of Wales again sent a basket of primroses for the wards—a gift highly esteemed by the Committee, and greatly appreciated by the patients and nursing staff.

The thanks of the Committee are due to the Rev. A. L. Lilley and the Clergy of St. Mary's, Paddington Green, for continuing the Children's Services, held in the wards on Sundays; and to the ladies who have been good enough to visit the Hospital regularly for the purpose of amusing and entertaining the patients.

The London Needlework Guild has through the Hon. Elizabeth Edwardes and Mrs. Leonard Cohen kindly renewed the gift of a large parcel of useful clothing for the patients; and Mrs. William Clark, since October, has weekly sent a handsome gift of rabbits for the use of the Hospital. For these and a large number of gifts of various kinds, a list of which is given on page 61, the Committee return their hearty thanks.

The Christmas Entertainment to In-Patients took place on the 27th December, when Dr. Herbert E. Friend kindly provided and exhibited a selection of lantern views which delighted the children. The large Christmas-tree, laden with toys for subsequent distribution to the patients, was electrically illuminated with beautiful effect by and at the cost of Messrs. J. E. Spagnoletti & Co. Miss Strudwick again very kindly supplied floral decorations. To Dr. Friend for his kindness, and to all who gave their services or contributed to the expenses, the Committee return their best thanks.

To Mr. W. H. Pearce, the Secretary, and to Miss MacGregor, the Matron of the Hospital, the Committee take pleasure in recording their renewed thanks for valuable and willing services.

In closing their Report the Committee again direct the attention of the supporters of the Hospital to the debt of £600 and overdraft of £100 owing to the bankers on the 31st December, 1905. Although less than half the indebtedness with which the year commenced, it nevertheless

constitutes a responsibility which the Committee would gladly see removed. The interest on the debt alone forms a regrettable item in the "administrative" expenditure. Whilst congratulating the governors and friends of the institution upon the success which has attended their efforts in the past, the Committee urgently appeal for further help to maintain and carry on the work of the Hospital. And they wish to repeat that the annual cost of the Hospital, owing to the want of invested funds, exceeds by about £1,000 the ordinary income.

CONVALESCENT HOME.

REPORT FOR 1905.

The Convalescent Home continues to be an indispensable adjunct of the Hospital.

137 Children were admitted from the Hospital during 1905, making, with 12 Children in the Home on 1st January, a total of 149 cases for the year.

Eight extra cots were used during the six summer months, April to September, thus increasing the accommodation during that period from 16 to 24 Cots.

In nearly all the cases the children derived great benefit from the change of air and convalescent treatment. In fact it may be stated that, in

some instances, parents declared that they did not recognise their own children upon their return to London—"He (or she) looks so well and has grown so much," being exclamations not infrequently made.

The total ordinary income was £500 as compared with £490 in 1904. There was an increase of £10 in Annual Subscriptions, but a falling off in Donations of £73.

The Committee were greatly encouraged by a donation of £100 from King Edward's Hospital Fund, the amount being double that of the Grant received in the previous year.

The proposal made in the Report for 1904 to have a "Pound Day" on Wednesday, 3rd May, was carried into effect. On that day Mrs. Douglas Owen received at the Home, on behalf of the Committee, a large number of gifts (527 lbs. avoirdupois), consisting chiefly of jam, groceries, &c., and money gifts to the value of £20, from local friends and friends in London. All the articles were found most useful, and were subsequently utilised for the patients and household. To all who contributed, whether in money or in kind, the Committee offer their best thanks.

The Committee gratefully acknowledge the following contributions:—

George Hanbury, Esq. £50
The Trustees of the "Delmar Charitable
Trust"... 10 10s.

Mr. C. A. Wilson, L.D.S., has been appointed Honorary Dental Surgeon to the Home, and to

him and the Honorary Local Medical Officers, Dr. Weaver Adams and Dr. Ralph P. Williams, the Committee are indebted for valuable services, at all times cheerfully rendered.

Through the kindness of the Rector of Slough, the Rev. P. H. Eliot, the regular weekly services for in-patients have been continued. The Committee are very sensible of the Rector's interest in the Home and its inmates.

The Berks and Bucks Needlework Guild made, by direction of the President, H.R.H. Princess Henry of Battenberg (per Lady Mary Needham), a grant of 75 articles of clothing, and for this useful and acceptable gift the Committee tender their best thanks, as also to those friends who visited the home during the year or kindly sent gifts of various kinds.

Upon several occasions the children have been invited to tea and entertained at the houses of the following friends, viz., the Rev. P. H. and Mrs. Eliot, Mrs. Harvey and Mrs. Hortin. These visits afford lively pleasure to the children, and are greatly enjoyed by them.

The Christmas Treat was given on 26th December, when the patients were entertained and much amused with some clever conjuring and ventriloquism. A number of local friends, and also friends from London, including members of the Medical Staff, were present. Mr. Goddard kindly lent seats for the occasion.

The Committee have learned with much regret of Miss Anderson's desire to resign, for

family reasons, the position of Matron of the Home. Miss Anderson was Matron at the Hospital for about seventeen years previous to 1901, when, on account of her health, she accepted, to the satisfaction of the Committee, the Matronship of the Home, in which she has ever since discharged her responsible duties with ability and success.

It is a matter of regret that the Convalescent Home should not receive a larger amount of independent support.

The Committee's original intention and hope that, in time, it would be self-supporting is, at present, far from being realised, as the deficit—which has to be met annually out of the funds of the Hospital—amounts this year to £400. They, therefore, earnestly appeal for increased support for this important branch of the Hospital's work.

A Form of Contribution to the funds of either the Hospital or Convalescent Home will be found on page 78. Cheques should be made payable to the order of the Hospital or Home, as the case may be, and crossed London and County Banking Company, 1, Connaught Street, Hyde Park, W.
